

## Studio Vacancy: Pool Arts Associate Membership Scheme

Pool Arts is an arts organisation supporting individual who face barriers to their continued practice and this Associates studio arrangement is our way of creating a sustainable open shared space free for members to use. We hope associate members will get involved in our projects and give informal talks / mentoring to regular members very occasionally.

The available studio space has natural light and free Wi-Fi in year 1 (at least) and bills will be monitored and split between Pool Arts and Associates. People who become Pool Arts Associates pay the membership fees below and have a license agreement for the self contained ground floor space. Pool Arts members share a collective space and there is a communal kitchen and toilet area. We are close to city centre, 5 minutes from Piccadilly Station and Oxford Road. Some parking available.

### Studio 2

5x2.7 m (£160)

For more information and to arrange a viewing please contact Alison at [poolarts@gmail.com](mailto:poolarts@gmail.com)
